Air bags cause accidents, because well-protected drivers take more risks. This well-documented truth comes as a surprise to most people, but not to economists, who have learned to take seriously the proposition that people respond to incentives. In *The Armchair Economist*, Steven E. Landsburg shows how the laws of economics reveal themselves in everyday experience and illuminate the entire ...

Steven Landsburg is a renowned economist, and this book makes it clear why, as he clearly, cleanly, and ably explains some fairly in-depth economic theories and principles without condescension. There are plenty of summaries and overviews of the material available; this review is just to state that I enjoyed the book and highly recommend it to anyone with even a passing interest in what ...

This widely documented fact comes as a surprise to most people, but not to economists, who have learned, perhaps better than most, to take seriously the proposition that people respond to incentives in complicated ways. In *The Armchair Economist*, Steven E. Landsburg shows how economic thinking illuminates the entire range of human behavior.

In *The Armchair Economist*, Steven E. Landsburg shows how the laws of economics reveal themselves in everyday experience and illuminate the entire range of human behavior. Why does popcorn cost so much at the cinema? The 'obvious' answer is that the owner has a monopoly, but if that were the whole story, there would also be a monopoly price to use the toilet. When a sudden frost destroys much ...
