Armed Candy is the true story of one woman's struggle for survival on Britain's meanest streets. Kay has spent her whole life trying to escape. Sexually abused by her grandmother, she pleaded to return to her mother's care. But instead of finding a safe haven, Kay entered a world of drug abuse, swinging and dabbling in the occult. Although still a small child, she was soon buying drugs for her mother and being moved out of her bed as orgies ensued in her home.

This is the story of organized crime gone paranoid and turning in on itself, seen through unusual eyes. Kay, a call-girl by profession, was a member of the inner circle of one of the countries most vicious gangs. Raised in a rural middle-class home, she spent her teenaged years in rough housing schemes, and was conned into prostitution by her mother. After a chance meeting with a gangster in a bar, she was recruited by him as his confidante. Soon she was carrying a loaded gun. She took a ...

On Halloween, four local churches had organized an elaborate murder mystery game where the participants concocted fictitious crimes and hid cryptic clues throughout the area. The strange poetry was all part of this murder mystery game. Since it wound up raining on the night the game took place, the notes were never retrieved and remained there for over a month. In a macabre coincidence, a real ...
