[Type 54 Exploded Views - BING CARBURETOR](#)

Bing supplied a 26 mm slide carburetor for some early Airheads. The kit for them is 13 11 1 258 050. The very earliest /5 diaphragms were replaced by a thicker type, which is all that is available now from BMW. Some of those very early ones might still be around. There are a number of rubber O-rings used in the Bing CV carburetors. All should ...

That's pretty much what my service manual says too. They have a few handy tips that I'll include later, plus they skip around a bit, but it's fairly straightforward. Speaking of service manuals, make sure you have one. As I write this, I'm looking at the exploded view of a Bing carburetor in my copy of the Haynes "Owners Workshop Manual". That's where I'm getting the fancier ...

If your carburetor has the optional manual pumper top cover, it will look similar to Figure Two. There is a rubber bulb that you press and release until it fills up with fuel. Some small air bubbles at the top of the bulb is acceptable. If the bulb will not fill with fuel then up to four conditions could be present. The fuel tank may be empty, the fuel pickup filter is plugged, the fuel bulb ...
